Chapter 1 by Walter

I have a very beautiful smart little baby boy. His name is Stewi. Today we were eating macaroni and he looked like he had to get something off his chest.

"Do you need to say something Stewi?"

"Yes, please sit down. We need to talk. It is time for you to start taking me seriously now."

I didn't say anything. I could only laugh because right on his, down right serious face was a piece of macaroni.
